

'Save Lake Selmac' Anniversary Event

PreciousDirt / Illinois Valley Pesticide Awareness Coalition - IVPAC invites you to:

Chemical Witness: Voices of Oregonians

Saturday, February 11th

10:00am to Noon @ Lake Selmac Trout Shelter

On the first anniversary of PreciousDirt we invite you to join us for a RALLY in coordination with Beyond Toxics, Williams Waterway Project, Zero Chemical Trespass, Forestland Dwellers, Pitchfork Rebellion, Mothers of Triangle Lake and advocates raising awareness about the dangers of toxic chemicals.

Featured guest – Takilma Elder Agnes Pilgrim, along with everyday citizens, sharing their experiences as witnesses to chemical trespass.

The press is invited, along with Occupy Rogue Valley.

Bring your signs, your enthusiasm and bring a sense that we CAN make a difference in our efforts to END TOXIC TRESPASS, that continues to threaten our health and future.

Directions: We are gathering at the Trout Shelter by the Lake.

East of Hwy 199, take Lakeshore Drive just past Lake Selmac to McMullen Creek Road. Turn right on McMullen and right again on Higgenbottom Rd and follow the arrows to the Trout Shelter, by the lake.

(The park requests a \$2 per car parking fee, another reason to bring friends and carpool.)

“Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it’s the only thing that ever has.” -- Margaret Mead
