

“Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it's the only thing that ever has.” -- Margaret Mead

**Saturday, February 11th, at Noon @ Triangle Lake**

**A rally to raise awareness  
about the dangers of toxic chemicals!**

*An Oregon Pesticide Action Workgroup event in coordination with*

Beyond Toxics

Illinois Valley Pesticide Awareness Coalition

Williams Waterway Project

Precious Dirt

Forestland Dwellers

**Featured guest: Kalapuya Elder Esther Stutzman,**

along with everyday citizens, sharing their grounded knowledge  
and experiences as witnesses to environmental harm from pesticides.

Bring your signs and your enthusiasm for the possibility that we CAN make a difference in our efforts to create change. We must change policies that allow Oregonians to be poisoned with forestry pesticides that threaten our health and future!

We are gathering at public parking lot by Triangle Lake. Tents provided for inclement weather.

*The press is invited.*

---

**Directions:**

From Highway 99, following Highway 36 west until you reach Triangle Lake;  
the parking lot is on the far side of the lake.

\*The coalitions from Josephine County will be holding similar events this same weekend.
