

# Town Hall Panel and Dialogue on the Practices of Aerial Spraying on Forested Areas Near Watersheds

Thursday, September 4th, 2014

St. Mary's By the Sea Church,  
275 South Pacific Ave., Rockaway Beach, Oregon

Meet, greet, and eat from 6:00 PM to 6:30 PM

We will serve a light dinner of organic homemade soup and bread provided by Fresh Café from Bay City - \$5.00 donation.

Panel and Dialogue Town Hall Meeting - 6:30 to 9:00 PM

Please join us for an informative town hall meeting with a panel of 6 expert speakers on topics such as: Oregon Forest Practices Act, human health impacts of pesticides, economics and trends in forestry.

Representatives from the State Legislature, and departments of Forestry and Environmental Quality, consultants and environmental researchers are attending.

*We want to know  
the air we breathe  
and  
the water we drink  
is safe.*

This town hall meeting is a collaboration with Rockaway Citizens for Watershed Protection, Beyond Toxics, North Coast Basin Coalition, Tillamook County Citizens for Human Dignity, and local communities from Netarts to Arch Cape.
