

Fall 2023 Cohort

Resilient Leaders in Action

REGISTER BY OCT. 16TH

Are you passionate about community action and resilience? We're offering in-depth workshops for local BIPOC High School students (Eugene/Springfield Area) who are inspired to learn more about community organizing!

This program is at no cost to you and offers a \$250 stipend for your time. Over *five sessions*, we will work through what community organizing looks like, including a mural making and an outdoor garden session.

First come, first served. Limited spaces are available
