

# Weeding Work Party!

**June 30th, 9am-11am**

**Golden Gardens Park (Jessen Dr & Golden Gardens St.)**

Join friends and neighbors to remove invasive Teasel and Canada Thistle around the ponds. Management of invasive species is imperative to the health of the habitat and improves water quality, and our NW Pond Turtles need our support! Participating will be a great way to give back to the community, meet others, learn about and steward the park. Tools and supplies provided.
