

Weeding Work Party!

Sunday, July 28th, 9am-11am

Golden Gardens Park (Jessen Dr. & Golden Gardens St.)

Join friends and neighbors to remove invasive Teasel and Canada Thistle around the ponds. Management of invasive species is imperative to the health of the habitat and improves water quality, and our NW Pond Turtles need our support! Participating will be a great way to give back to the community, meet others, and learn about and steward the park. Tools and supplies provided.

“Parks build community, but to see community in action is truly remarkable.” - Barbara Tupilane
