

# Wapato Planting Party!

**Saturday, October 5th, 9am-11am**

**Golden Gardens Park (Jessen Dr. & Golden Gardens St.)**

Join friends and neighbors in planting local, newly harvested aquatic Wapato plants in designated locations around the ponds to help with bank stabilization, to improve habitat and water quality, and as always, support our NW Pond Turtles! Participating will be a great way to give back to the community, meet other interested people and learn about the park. Tools, instruction and supplies provided. Please wear clothing/shoes that can get wet!
