

# NATURAL FOUNDATION

---

## WHAT YOU'LL NEED

*2 tbsp zinc oxide (can use arrowroot powder instead if desired, but it will not offer quite as much coverage)*

*1 tbsp arrowroot powder (optional)*

*1 tsp gold mica dust*

*1/2 – 1 tsp of desired natural clay powder (optional)*

*up to 1 tsp finely ground cocoa powder to get desired color*

*Optional: 1 tsp of translucent mica powder can help for really oily skin*

---

## INSTRUCTIONS:

1. Mix all ingredients to get desired color and coverage.
  2. Zinc oxide will give coverage and matte finish.
  3. Colored mica powders, natural clays and cocoa powder will give color. Start slowly and add as needed, testing on the inner-arm as you go to find your shade.
  4. Store in a small glass jar with a lid.
