

# Surface Cleaner/Disinfectant

## ✧ Spray ✧

### WHAT YOU'LL NEED

- Spray Bottle
- Distilled Water
- Liquid Castille Soap
- White Vinegar [for disinfectant]
- Isopropyl Alcohol or Peroxide [for disinfectant]
- Essential Oils [optional]

### HOW TO PREPARE

- Fill your spray bottle with 2 cups of water
- Add 1 tablespoon of castile soap.
- Cover the bottle and shake well.
- For disinfectant, replace one cup of water for one cup of white vinegar.
- Add 2 tablespoons of isopropyl alcohol or peroxide.

**\*\*Optional: 20 drops of essential oils\*\***
