

Our Family Farms Presents

The Future Of Soil

Ensuring Resilient Food and Agricultural Systems

SESSION FOUR:

Pesticide Impacts On Farm Workers, Consumers, and the Environment

A panel discussion about the significance of pesticide exposures to our health with scientists, educators and retired environmental engineer, Tom Hitchcock. Come learn all the ways it is so important to our health and the environment to be able to control pesticide exposures.

Dr. Ray Seidler
Retired EPA Scientist

Dr. Richard Fenske
University of Washington

Lisa Arkin
Beyond Toxics

Pesticide Applicators and Consultants can earn 2 Recertification Credits for ODA Pesticide Program at the 1-4 pm session
