

ORGANIC AND NATURAL LAWN AND LANDSCAPE MANAGEMENT IN OREGON

Wednesday
September 18, 2019
6:30 - 8:30pm
Free and open to the public

Chip Osborne

Meeting Location: Talent Community Center
104 East Main St.
Talent, OR

Featuring:

Chip Osborne, president of Osborne Organics, has over 25 years experience creating sustainable and healthy landscapes, and 40 years experience as a horticulturist.

Managing lands without toxic pesticides

Please join us to learn a *systems approach to natural turf and land management*, which integrates three concepts: an understanding of the soil and natural fertility; sound management techniques; and the use of organic compatible products.

All attendees will have the chance to talk to a national expert and ask questions.

Sponsored by:

*Beyond Pesticides, Beyond Toxics,
Pollinator Project Rogue Valley
and the City of Talent*
