

## Watersheds in Crisis Observations from Coos County

A presentation from *Micha Gross & Dan Pennington, Myrtle Glenn Farm - Coquille, Oregon*

Wednesday, March 20th from 6:30 PM – 8:30 PM

Stellaria Community Room - 150 Shelton McMurphey Blvd. in Eugene

Free and Open to the Public

In the rural southern Oregon Coast Range, Bed and Breakfast entrepreneurs Dan and Micha attempt to create an organic and inviting guest experience among industrial logging corporations. This presentation puts technology to use to discuss the clearcut logging and toxic herbicide use surrounding their farm. You will learn why regulations do nothing to guarantee their safety and what it looks like to rely on a drinking source that originates on private industrial timberland.
